

Examination Information

Fundamental of Engineering (FE) and Fundamentals of Surveying (FS) Exams

The Fundamentals of Engineering (FE) and Fundamentals of Surveying (FS) exams are offered year-round as computer-based exams at approved Pearson VUE testing centers located in major cities throughout the country. For additional information visit <http://cbt.ncees.org>

There is **NO** application required to take the FE and FS exams. **Candidates should register DIRECTLY with NCEES** by visiting the NCEES website, www.ncees.org. Candidates will select an exam date, location, and designate "South Carolina" as the examination State board when registering with NCEES. The exam fee will be paid to NCEES via major credit card at the time of registration.

Once you have passed the exam, you may apply for certification as an EIT or LSIT by filing the appropriate application with the Board.

The FE and FS Exams will be offered during the following testing windows:

| |
|----------------------|
| January and February |
| April and May |
| July and August |
| October and November |

The FE and FS exams will not be offered in March, June, September, and December

Professional Practice of Engineering (PE) and Professional Practice of Surveying (PS) and State Specific Exams

The Professional Practice of Engineering (PE), and Professional Practice of Surveying (PS) and State Specific exams are administered in April and October at The Jamil Temple in Columbia, SC. Applications for the PE and PS are available online at <http://www.llr.state.sc.us/POL/Engineers/index.asp?file=Applications/Exams.htm> (scroll down to the appropriate exam application and download **ALL** forms under that heading) and should be submitted to the Board office by the filing deadline.
